It is the largest location of Peach Castle, which is based on its Super Mario design 64, sharing a similar design (including the lands of the castle, the interior of the first floor and the patio), with the media of the interior that is also reorganized. The lake was naturally formed, but some affirm that its form is familiar. Enemies marked with an asterisk (*) are only found in bonus areas, while non-header enemies marked with a caret (^) are found during the rectices of the boss. 3 coins: in the river - directly below the waterfall 3 coins: underwater (pond) 2 coins: floating on the tree north of the garden 3 coins: on a rock near Peach Castle 3 coins: in a Rock near Peach Castle 3 coins: Behind the upstairs building forests. However, when they are loaded into the odyssey, they appear as electrical moons. 3 coins: near the river, obtained by jumping the great mushroom of 3 coins: on the edge of the waterfall to the pond of fungi 3 coins: among the trees near a pastor toad 2 coins: on top of a tree At the southern end of the subway. He passed. The kingdom of fungi can be seen for the first time traveling through a painting in the lunch kingdom, which leads to Yoshi's house on a flotating platform away from the main zone. If you fall from these walls, it will fall into the vacuum below and have to restart this area. There are six paintings from ReMatch Boss. These incredibly detailed works are so real that admirers talk about being dragged to another world by paintings.
